Dear Mr. Kriek:

Thank you for your participation in the recent consultation session on economic immigration, skilled immigrant recruitment and employment.

The discussion was thoughtful and provided information that will assist us in the development of Ontario's immigration strategy. Immigration will play a critical role in ensuring that Ontario remains competitive and builds a strong, skilled workforce.

We appreciate your taking the time to be a part of this important meeting and sharing your knowledge and expertise.

An overall summary of all consultation sessions will be shared with you in June after the consultations have concluded.

Thank you again, and I look forward to our continued collaboration.

Sincerely,
