Hi Nichole,

NR

At the time of the selection when the Notice of Interests (NOIs) are sent the Express Entry portal does not identify if candidates are inside Alberta and if they are or are not working in Alberta. Therefore identifying the number of candidates at time of invitation could not be included in this request. However based on applications received from January 1 to September 26, 2021 we are able to identify that 1,085 applications were inside Alberta and 730 applications were not working in Alberta at the time of application.

Please let us know if you have any questions.

Thank You,
